

FRANCHISE COLLATED DRYWALL SCREWS

DWSBCD/4103

COLLATED DRYWALL SCREWS

The use of Collated Drywall Screws allows for a one-action, one-fix system that delivers massive increase in productivity by allowing one person to install a section of board. The flat tape collection system is especially popular on-site where its 50-screw strips can be changed over or the tool re-loaded in seconds. Flat Tape Collated Drywall Screws are ideal for general purpose automated screw driving.

	Screw Diameter	Length mm Qty.	Inner Box Qty.	Outer Box Qty.
